

# Resolve Professional Services

## RECAP

### Activity Center

#### Concepts

- ConceptOne™ works differently depending on who uses it
- The Activity Center is your *command center*.
  - o View all your work
- ConceptOne™ will only display up to 500 items on your Activity Center at one time. If you let your Activity Center gather lots of items, it will start to get sluggish.
- On the left of your Activity Center, you have shortcuts.
